

Rajack Dutch Door Pivot Hinge

Available for all door conditions

Rajack Dutch Door Offset Pivot Hinge

The major portion of this configuration is the custom mid door hinge, containing two pins to support the bottom of the upper door and the top of the lower door.

There are (7) leaves total in this set, they include the (3) pieces shown (at left), the (2) portions at head of the upper door and the (2) at the bottom of the lower door.

Available in standard, heavy duty and custom sizes
